LB 170, 682

The bill was introduced on January 8, referred to Government, advanced to General File. I have no amendments to the bill.

SPEAKER BAACK: Senator Coordsen.

SENATOR COORDSEN: Thank you, Mr. Speaker, members of the body, this bill was brought to me by the Military Department and it is, as the Clerk indicated, clean-up language for the department. It was mentioned that it changes the method of setting the Adjutant General's salary. For your information, it will not result in an increase in the Adjutant General's salary, nor in the Deputy. It brings the Nebraska military statutes into line with current language in federal law and I would encourage its adopt...it's adoption.

SPEAKER BAACK: Thank you, Senator Coordsen. Any discussion on LB 170? Seeing none, do you wish to close? He waives closing. We will now vote on the advancement of LB 170. All those in favor vote aye, opposed vote no. We are voting on the advancement of LB 170. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of 170.

SPEAKER BAACK: LB 170 advances. We'll go to LB 682.

CLERK: LB 682, Mr. President, introduced by Senator Warner. (Read title.) Introduced on January 21, referred to Government, advanced to General File. I have no amendments to the bill.

SPEAKER BAACK: Senator Warner.

The Nebraska law that previously existed was in conformance with the provisions that had been enacted as of January 1 of 1981. This updates it to 1993. It makes no other changes other than the recognition that the federal government has changed their statutes and to the extent it might effect cooperative programs in which the Historical Society would be involved this would bring Nebraska in compliance. I cannot give you the specifics of the changes in the National Historical Preservation Act other than to tell you that, in general, the
